

Once you go through your higher-end residential contractor checklist, Custom Construction Plus will rise toward the top.

What are the top things you look for in a higher-end residential contractor? If you're like the architects with whom we've had the privilege and pleasure to work over the past 20 years, you'll find Custom Construction Plus in Vernon to be a value-packed resource for your architectural firm and your residential customers. For a no-obligation conversation with founder and owner Mike Jackopsic, please call him at 860.454.4395 today.
