

P. Michael Jackopsic, Founder & Owner of Custom Construction Plus, has over 25 years of local experience in home building, remodeling, maintenance and repair. He is a lifetime resident of Tolland County who has built a solid reputation through his common-sense approach, integrity and strong work ethic.

Mike is also a local property owner who maintains his own properties with the same quality and attention to detail that he offers his customers.

“Responsive, knowledgeable and honest, with a commitment to high quality’ are the best words to describe the team at Custom Construction Plus! Whether my clients need a complete renovation/addition, or I have a laundry list of small inspection items, I know I can trust the work will be done on-time and within budget! Mike at Custom Construction Plus is my absolute go-to person for all of my property repairs, big or small.”
