

P. Michael Jackopsic, Founder & Owner of Custom Construction Plus, has over 25 years of experience in home building, remodeling, maintenance and repair. He is a lifetime resident of Tolland County who has built a solid reputation through his common-sense approach, integrity and strong work ethic.

Mike is also a local property owner who maintains his own properties with the same quality and attention to detail that he offers his customers.

Respected & Recommended by:

- **Local homeowners** who are living busy lifestyles and want to keep their properties in tip-top shape.
- **Local realtors** who need reliable, proven contractors to take care of "punch lists" of tasks needed to be done prior to or after the sale.
- **Senior citizens** who need honest contractors to take care of their properties and help them to live at home comfortably and worry-free.

Locally owned and operated since 1997. Fully licensed (registration #HIC.0632532) and insured. References gladly provided.
